RE: Parent Notification Letter

Dear Parents:

Kinston Charter Academy (KCA) is a Title I, Part A school, and is subject to the provision of the Elementary and Secondary Education Act (ESEA), including the requirement to report the schools' Adequate Yearly Progress (AYP) under ESEA to parents. ESEA requires schools that do not make AYP for more than two years to notify parents and offer school choice and/or Supplemental Education Services (SES) to parents.

KCA, like the vast majority of schools in the State of North Carolina, did not meet AYP under the No Child Left Behind Act. The school is in School Improvement status. The school will offer Tutoring through its own program and parents are eligible for apply for Supplemental Education Services (SES) with an outside contractor. We will provide notice of the SES fair.

Please review below of AYP data.

2008-2009	Met	Not Met

You may access inform regarding KCA's AYP results from the schools website at www.kinstoncharteracademy.com or at the North Carolina Department of Public Instruction's website at: <http://www.ncpublicschools.org/accountability/reporting/aypresults>

Parents are invited to participate in the Title I planning process. If you are interested in learning more about Title I and getting involved please contact the school at (252)522-2010.

Very sincerely,
